Ayush Agarwal

Technical Skills:

- Languages: Python
- AI/ML: Machine Learning, NLP, Transformers, LLMs, LangChain
- Libraries: NumPy, Pandas, Scikit-learn
- Backend: FastAPI, REST APIs
- Tools: Git, Docker, SQL, Azure

Certification:

- Prompt Engineering for Developers – DeepLearning.AI (Andrew Ng)
- Machine Learning – NPTEL
- Introduction to Large Language Models – Google Cloud
- Generative AI – Google Cloud

EDUCATION

Board	Tenure	Educational institution	CGPA/Percentage
B. Tech (CSE) Core	Sep 23 – Ongoing	VIT Bhopal University	8.48/10
Class XII	May 22	D.A.V Public School, Ranchi	88.0%
Class X	May 20	D.A.V Nandraj Public School, Ranchi	91.0%

ACADEMIC PROJECTS

AI/ML	▪ Hybrid Legal RAG Backend System (Dec 2025 – Mar 2026) - Description: Legal AI backend using hybrid retrieval with RRF ranking and LLM-based analysis. - Technology: Python, FastAPI, BM25, FAISS, PageRank, SQLite (FTS5), Docker - Team Project: Collaborative - Role: Backend & AI Developer - Link: github.com/Ayush99392003/Legal_AI_Backend
Gen Ai (LLM, NLP)	▪ PolarBrief AI (Aug 2025 – Sep 2025) - Description: AI system for extracting and ranking legal arguments using LLMs and hybrid scoring. - Technology: Python, LangChain, Transformers, NLP, Streamlit - Team Project: Individual - Role: AI & Backend Developer - Link: github.com/Ayush99392003/PolarBrief

INTERNSHIP

AI Engineer Intern Aug 2025 – Present	▪ Docu3c Technologies: - Built LLM systems using GPT models for financial and legal document processing. - Designed agentic workflows for automated analysis and data extraction. - Developed end-to-end AI applications (Python APIs + UI). - Integrated OpenAI APIs (file search) and MCP for modular workflows. - Deployed applications on Azure (App Services, Container Apps, Functions). - Used Docker, Git, uv, and ruff for development and deployment.
--	---

CO-CURRICULARS

Coding	▪ Solved 200+ problems on LeetCode
--------	--

EXTRA-CURRICULARS AND ACHIEVEMENTS

Achievements	▪ Built and deployed AI/LLM-based systems for real-world applications
Responsibilities	▪ Event Lead, Linpack Club – VIT Bhopal, Aug 25- April 26)

Extracurricular	▪ Runner-up, AdVITya (Inter-University Volleyball event) (Jun 24)
-----------------	---

ADDITIONAL INFORMATION

Hobbies	▪ Exploring AI tools and emerging technologies (OpenAI File Search, uv, ruff) ▪ Playing Volleyball – Represented Thunders in Aavahan tournament in VIT University
Languages	▪ English, Hindi
